# ROLLER collection

Roller blinds are ideal window shades for any room in the home. The Louvolite® collection offers you the perfect range of fabrics to choose from, with high end lustres for living rooms, stylish blackouts for bedrooms and moisture resistant prints for bathrooms and kitchens.

Roller blinds can be operated manually, or you have the option to motorise them with the addition of Louvolite One Touch®, making luxury affordable.

You can also add finishing touches to complete the look; metallic and coloured headrail cassettes and bottom bars create a feature by coordinating or contrasting with your chosen fabric.

Decorative scallops, braids, pulls and poles give you another way of personalising your blind. Refer to the back of this brochure for further details.

Ask your local blind supplier for the Louvolite® roller fabric range.

A contemporary home isn't complete without a designer focal point at the window and impressive new technology.

Whether you choose a clean and simple plain fabric, statement print or an up to the minute glow in the dark option for your home, your roller blinds can be enhanced by being operated at the touch of a button with Louvolite One Touch® motorisation at your finger tips.

Of course quality is key, so Louvolite® roller fabrics are made in the UK where all parts of the manufacturing process are monitored and controlled.

# BE PART OF THE JOURNEY with the new collection

Create a space where your child can dream, play, learn, have fun and express themselves, and what's better than engaging them with iconic characters from Disney, Pixar, Star Wars™ and Marvel.

This limited edition collection boasts a variety of designs to suit everyone, even the big kid in you! Let them venture on a journey of discovery, take them on safari, share your nostalgia of the classics, let them be a Super Hero or explore the deep galaxy.

Our roller blinds are designed and manufactured in the UK. The blackout\* fabric is paired with a reliable and easy to operate system so your blind can be rolled up or down smoothly every time using chain operation with either cord tidy, spring return or even Louvolite One Touch® motorisation.

These window blinds are great in bedrooms, family rooms and playrooms, you'll love seeing the smile the happy characters put on your child's face.

# VERTICAL collection

Vertical blinds offer the ultimate in shading flexibility and privacy along with modern clean lines and stunning fabrics.

Our made to measure Vertical blinds can be drawn neatly to the side to offer you unlimited views, or the louvres can be rotated to allow just the right amount of light into the room to maintain an element of privacy. They are an ideal option for wide windows as well as narrower ones. You can now motorise your vertical blinds making them completely child safe and easy to use.

There are fabrics within our range to suit every room, colour scheme and shading requirement, whether it be a light filtering, dimout or blackout fabric.

The contemporary new Louvolite® vertical blind fabric collection has been designed to allow you to add your own style and personality to your blind, by mixing and matching patterned, plain and textured fabrics, to create a statement feature blind.

Ask your local blind supplier for the Louvolite® vertical fabric range.

## PICTURE PERFECT roman blinds

Our impressive roman collection presents a palette of colours to suit all tastes, translucent fabrics to gently filter the sunshine, energy saving fabrics to insulate your home and blackout fabrics to enhance privacy and sleep.

Our window blinds are always designed with safety in mind and there are a number of options for you to choose from, including our child safe operating chains and now One Touch motorised solutions too, making luxury affordable.

As with all of our window blinds you can give your roman blind the perfect finishing touch with one of our colour coordinating cassettes.

# VISION® collection

Vision® is an innovative window blind featuring two layers of translucent and opaque horizontal striped fabric that glide past each other providing flexibility in shading and a real statement at your window.

The blind can also be raised and lowered just like a roller blind giving you the option of full privacy or a clear view outside.

Louvolite's stunning Vision fabric collection includes a range of textures and tones, subtle metallic shimmers and blackout options too, making these blinds perfect for any room in the home.

You can of course create even more of a feature and bespoke your blind by choosing a coordinating or contrasting headrail cassette and bottom bar.

Ask your local blind supplier for the Louvolite® Vision® fabric range.

## ONE TOUCH technology

Louvolite One Touch® motorised blinds can be operated in a number of ways.

Wand operation will operate a single blind and is ideal for children's rooms or bathrooms.

The remote control allows you to operate a number of blinds at the same time, to suit your requirements.

Voice activation can be used inside the house and your blinds can be operated outside the home using the free app on your mobile or tablet.

All Louvolite blinds are of course child safe and motorisation is another example of this, giving you complete piece of mind in a chic and sophisticated way.

# PLEATED & CELLULAR collection

Our designers have created a vibrant and colourful collection that captures the spirit of today's tastes and trends. Choose from a wide range of fabrics ranging from blackouts, that offer enhanced privacy, through to high performance fabrics that help to control the temperature of your surroundings all year round.

Our stylish range of pleated blinds creates a whole new look for your home and will provide shade and privacy all year round.

The incredibly efficient cellular blinds not only look great but also help keep energy costs down. Their unique honeycomb structure creates a thermal barrier between the room and window to provide additional insulation.

Pleated and Cellular blinds are an innovative solution for the home and available as motorised, offering complete shading flexibility and privacy at the touch of a button. You can also operate your blinds straight from a phone or tablet, or using voice activation with Amazon Alexa or Google Home.

# PERFECT FIT collection

*roller | pleated | cellular | vision® | venetian*

Louvolite Perfect Fit® is a revolutionary shading solution for uPVC windows and doors. It is unique because the window blind fits neatly into a discreet frame, which is clicked into the uPVC and moves with the window or door when it is tilted, opened or closed.

Our revolutionary system now comes with even easier fitting, try Perfect Fit Konnect, Konnect uses magnetic strips that, when fitted to the window and Perfect Fit frames, secure the blind into position, meaning it can be fitted to different window types.

Louvolite Perfect Fit® is available in a gorgeous range of colours and finishes that have been designed to match your uPVC windows and doors perfectly.

You can also add motorisation with Louvolite One Touch® where, at the touch of a button, up to 15 Perfect Fit blinds per room can be opened or closed at once.

Ask your local blind supplier for the Louvolite Perfect Fit® range.

## STYLISH simplicity

Louvolite Perfect Fit® roller, pleated, cellular, Vision® and venetian blinds are ideal solutions for uPVC windows and doors, conservatories and orangeries.

The blinds can be clicked into your window frame or fastened with magnets meaning that no drilling or screwing into your uPVC frames is required, making it a quick and clean installation.

Perfect Fit enables clutter free window sills and easy cleaning thanks to the removable frames.

Perfect Fit hugely reduce the gaps at the edge of the blind meaning that very little light can be let in. They are a great option for little ones as they are of course completely child safe, as there are no loose cords or loops.

# PANEL collection

Panel blinds are a modern and chic shading solution for larger windows, bi-fold or patio doors and can also be used as room dividers.

The blinds encompass large panels of fabric which stack neatly behind one another when open, allowing maximum light into the room. To control light, reduce glare and increase privacy, simply slide the panels to the required position.

Available in a wide range of exciting prints and textures, panel blinds will transform the look of any room with their contemporary style and sophisticated appearance.

You can create a real statement by combining patterned and plain, or different coloured fabrics to achieve an eye-catching block effect.

You can also choose a side or split draw panel blind to perfectly suit your window's requirements.

Ask your local blind supplier for the Louvolite® panel fabric range.

# DRESSING UP *your windows*

To really set your Louvolite® window blind apart from the rest, you can personalise it with our wide range of accessories to coordinate or contrast with any of our fabric ranges.

Add style to a roller or roman blind with our contemporary braids, pulls and poles. Select from our elegant range of cylinders, barrels and tassels in a choice of metallic, modern and natural finishes.

Give roller, roman, vision and visage blinds a stylish enhancement with one of our sleek cassettes which are fitted to the top of your blind, discreetly housing the operating mechanism. You can choose from a range of colours and finishes including white, beige, black, anthracite, bronze, chrome and satin and have the option to insert a matching fabric profile too.

Vertical blinds are given the same treatment, with a selection of premium Vogue coloured headrails to choose from; Ice White, Brushed Aluminium, Champagne Gold, Piano Black and Espresso Brown. Differing fabrics can be combined to create a more bespoke and striking effect.

A Louvolite blind will surpass your expectations and allow you to create a window shade that is perfect for your home.
